SUBJECT

Levy of registration fees on Springless carts drawn by bullocks in the Bangalore city

FILE No. Mi. 453 of 1904-05

Levy of registration fees on springless carts drawn by bullocks in the Bangalore City

1 From the President, Municipal Commission, Bangalore City, No. 359, dated 24th February 1905
Requests sanction to the levy of an enhanced rate of Rs. 2 per half year on springless carts drawn either by single or double bullocks, from the beginning of the next official year as resolved by the Municipal Board.

2 From the Secretary, General and Revenue Department, No. 3957, dated 28th March 1905.
Enquires whether there is any divergence in the rates now prevailing in the City and in the Civil and Military Station, whether a concurrent action on the part of that Municipality in this respect is not necessary, seeing that there was a joint action in respect of the levy of taxes and tolls on vehicles and animals, and whether the Civil and Military Station Municipality is disposed to adopt the enhanced rates of registration fee.

3 From the President, Municipal Commission, Bangalore City, No 407, dated 8th April 1905
States that his proposal corresponds to what is proposed in the Civil and Military Station so far as double bullock carts are concerned, that such uniformity does not, however, obtain in the case of single bullock carts and that Sections 44 to 46 of the Municipal Regulations, according to which the double bullock carts are now taxed and the single bullock carts are proposed to be taxed, do not contemplate any distinction between these two classes of carts, and that concurrent action in the matter on the part of the Civil and Military Station Municipality does not appear necessary

BRIEF ABSTRACT OF LETTER

Requests sanction to the enhanced levy of a registration of Rs 2/- per half year on springless carts drawn by bullocks from the beginning of the next official year

NOTES AND ORDERS

The present proposal to levy a half yearly Registration fee of 2/- rupees for each springless cart drawn by bullocks instead of one rupee as at present is authorized by section 46

the municipal Regulations

2 At present, taxes at fixed rates (vide Schedule A) are being levied on all vehicles on springs both in the City and the C & M Station in accordance with the resolution of the joint Committee of the Commissioners of the two municipalities. It is therefore submitted that Concurrent action on the part of the C & M Station municipality in respect of Springless carts seems necessary.

Draft docketed to President calling for additional information is therefore submitted for approval or other orders.

of taxes and tolls on vehicles and animals and whether the C & M Station Municipality is desirous to adopt the enhanced rate of Registration fee

3 4 Letter no 407 dated the 8th April 1903 from the President States that this proposal corresponds to which is proposed in the C & M Station so far as double bullock carts are concerned, that such uniformity does not however obtain in the case of single bullock carts, and that sections 44 to 46 of the Municipal Regulations according to which the double bullock carts are now taxed and the single bullock carts are proposed to be taxed do not contemplate any distinction between these two classes of carts and that Concurrent action in this matter on the part of the C & M Station Municipality does not appear necessary.

It has been ascertained that the Municipal Commissioners of the C & M Station recently decided to subject the carts to enhanced fees and that their decision is pending the approval by the Resident It has

OFFICE OF THE MUNICIPAL COMMISSION,

City, Bangalore, 24th February 1905

No 359
Genl one

From

THE PRESIDENT,

Municipal Commission,

Bangalore City.

To

The Secretary to the Government of H H the Maharaja of Mysore,

General and Revenue Departments,

Bangalore.

Sir,

I have the honor to state that at present a fee of one Rupee per half year is levied for the registration of springless carts drawn by bullocks. The Board having in the Ordinary Meeting held on Thursday the 16th Instant considered the desirability of enhancing this rate, have resolved to levy a rate of Rs. 2/- per half year as provided in section 46 of the Municipal Regulations. Copy of resolution is herewith submitted. I beg to solicit the favor of Government Sanction to the adoption of this rate from the beginning of the next official year.

I have the honor to be

Sir,

Your most obedient servant,

A Vajpeyi

President, Municipal Commission, Bangalore City.

B M 109]

OFFICE OF THE MUNICIPAL COMMISSION,

No. 407 City, Bangalore, 8th April 1905.

From

THE PRESIDENT,

Municipal Commission,

Bangalore City.

To

The Secretary to the Government of H. H the Maharaja of Mysore.

General and Revenue Departments,

Bangalore.

Sir,

With reference to your docket No. 8957 dated the Rl.(453-01)-2 28th Ultimo, calling for further information regarding the levy of a Registration fee of Rs. 2/- per half-year on spring-less carts drawn by bullocks, I have the honor to report that the proposal to increase the rate from Re. 1/- to Rs.2/- per half-year in the City amounts to Rs. 4/- per year per double bullock cart. This corresponds to what is proposed also in the Civil and Military Station.

2. Such uniformity does not, however, obtain in the case of single bullock carts, these carts being somehow or other so lightly taxed that the incidence is out of all proportion between them and double bullock carts.

3. For every Rs. 4/- at present levied on a double bullock cart including the tax of Rs. 2/- per annum on the two bullocks, a sum of Re. 1-4-0 is levied on single bullock carts in the City and Annas 12/- in Civil and Military Station including a sum of Annas 4/- as Bullock-Stall Licence Fee.

4. It is found by experience that single bullock carts cut up the roads more than double bullock carts, as the former carry almost the same load as the latter. Section 44 of the Municipal Regulations according to which, the

double

6

double bullock carts are now taxed and the single bullock carts are proposed to be taxed do not contemplate any distinction between these two classes of carts both being taxed alike The difference consists in the single bullock cartman having to pay Rs 5/- per annum (Rs 4/- per cart and Re 1/- per bullock), where as the double bullock cartman has to pay Rs 6/- (Rs 4/- for cart and Rs 2/- for two bullocks)

The Board considering all the above circumstances resolved to tax both kinds of carts alike Concurrent action in this matter does not appear necessary

I have the honor to be

Sir,

Your most obedient servant

President
